WELCOME TO OUR PROGRAM

We are glad that you have come to see and hear the students. They are proud of their efforts, and your interest and support mean a lot to us.

During the program, we encourage you to reinforce the "CONCERT MANNERS" which we teach to all students:

Remain seated and quiet during the entire performance.

If you must leave the gym during the program, do so only at the end of a selection, never while anyone is speaking or singing.

Likewise, do not reenter the gym while students are performing.

We appreciate your cooperation.
